- Time Management

AHNAF TAHMID

Front-End Developer

I am Ahnaf Tahmid a Computer Science and Engineering (CSE) student (7th semester) with a strong interest in software and web development. I have completed Front-End Development training from Creative IT Institute, earned NSDA Level 3 certification, and completed a 3-month internship in Web Design and Development. I am passionate about learning new technologies and building efficient, user-focused applications.

Experience

Frontend Developer Intern

Creative IT Institute – Government ASSET Project (October 2025-Present)

Professional Certification

Bangladesh

Got Certificate

Projects

E-Commerce (React.js)

[Live Link](#) | [Github Repo](#)

Developed a fully responsive e-commerce website using React.js and Tailwind CSS. The application is integrated with external APIs to dynamically fetch and display product data. It includes core e-commerce features such as Add to Cart functionality and a smooth user experience across all devices.

Technologies Used: React.js, Tailwind CSS, RESTAPI, Redux

Quarter(Next Js)

[Live Link](#) | [Github Repo](#)

Developed a multi-page web application using Next.js and Tailwind CSS. Utilized Next.js routing for smooth page navigation and better performance.

Technologies Used: Next.js, Tailwind CSS, Multi-Page, Routing
